ANTIOCH, ILLINOIS, THURSDAY, AUGUST 15, 1968

VOL. LXXXIII. NUMBER 8

Colleen Gross Winner In Lakes Beauty Show

An excited and numb Colleen Gross, 17, daughter of Mr. and Mrs. Robert Gross of Grass Lake Road, Antioch, is the Miss Lakes Region of 1968.

The chestnut-haired, brown-eyed beauty was selected over 14 other Lakes Region girls who competed for the title sponsored by the Lakes Region Jaycees.

Miss Gross, an Antioch High School graduate in 1968, was selected in final judging Saturday in Antioch High School and will take over the crown worn by Joan Lang of Antioch, the 1967 queen.

An employee of the State Bank of Antioch, Miss Gross said she was talked into the contest by a member of the Jaycees.

Her sister, Kathi, 19, a sophomore at Barat College, was a runner-up in last year's contest.

She is one of four children and plans to enter Barat College herself in September and will major in English with a possible career as a teacher or newspaper reporter.

The youngster, poised beyond her years, sang three children's songs in the talent phase of the contest. In Antioch High she sang with the choir for four years.

For the finals the pretty, brown-eyed Colleen wore a sleeveless pink lace gown with a full skirt which she said her brother selected.

She was a National Honor Society student for two years at Antioch High School and finished in

the upper third of her class.

She is five feet six inches tall and measures 35-23-35 and will be this region's entry in the 1969 Miss Illinois Contest.

Her hobbies are water skiing and swimming.

Miss Gross was sponsored in the contest by Gibbs & Jenssen and will receive a \$200 Savings Bond and trophy.

First runner-up was Miss Teresi Chevrolet-Olds, Janice Prather, daughter of Mr. and Mrs. Ben Prather. She will be a freshman this fall at Milliken University, Decatur.

She will receive a \$50 bond and trophy.

Second runner-up was Miss Antioch Reporter, Kris Ann Four-nier, who will receive a \$25 bond and a trophy.

Miss Lyons-Ryan, Terri Guido, was third runner-up and will receive a trophy and 4th runner-up went to Pat Lombardo, Claire's Beauty Salon.

Miss Lombardo also received the Miss Congeniality trophy awarded by her fellow contestants.

Judges for the contest were Mary Lou Bilder, a Chicago model; Vern Kohn, a hosiery firm official; Mrs. Vivian Grimm, Mrs. America of 1960; Orville L. Clavey, Lake County Coroner; and Donald Torgenson, a Chicago magazine editor.

Miss Bilder commented that it was the best organization of beauty contest that she had ever participated in.

Colleen Gross, daughter of Mr. and Mrs. Robert Gross of Grass Lake Road, Antioch, is the new Miss Lakes Region of 1968 and will participate in the 1969 Miss Illinois Contest.

A record \$1.50 per pound was paid Margie Schafer, Bristol, for her Grand Champion Black Angus steer by John Teresi, right, of Antioch. Pictured with Margie and Teresi is the Kenosha County Fair Queen, Patricia Koos.

Teresi Purchases Grand Champion

(Wilmet) -- The record price of \$1.50 per pound or \$1470 total was paid by John Teresi Chevrolet, Antioch, for Pam Happy Workers 4-H Club member, Margie Schafer's Grand Champion 980 pound Angus summer yearling at the 4-H and F.F.A. livestock auction at the Kenosha County Fair, Friday, Aug. 9.

McDonald's of Kenosha paid 54 cents per pound for the Reserve Champion steer, shown by Marla Nilsen also of Paris Happy Workers.

Champion single market barrow was purchased by the Twin Lakes State Bank for 39 cents per lb. from Bob Sokoloski, Salem Pioneers.

Herb Holst, r., Trevor Eager Beavers 4-H, sold his champion market barrow to Hansen's Meat Service for 23 cents per pound and to David Merlen for 24.5 cents per pound.

Twin Lakes State Bank purchased the champion single market lamb of Gary Hartnell, Salem Pioneers, for 62.5 cents per lb. and the Paddock Lake Branch of Burlington paid 47 cents per pound for Hartnell's champion pen of two market lambs.

The average price per pound of the steers sold was 35.4 cents; barrows averaged 23.6 cents and the market lambs, 43.7 cents, for a total sale of \$10,365.30.

Other buyers supporting the 4-H and F.F.A. members included Leland Stohr Insurance, Kane Livestock, Milwaukee, Lee Wilson, Burlington Consumers Coop, Robyn Olsen, Lloyd Gahart, Cunningham Cartage, Sentry Foods, Bydalek Mink Farms, Kenosha Co. Farmco, French Doll Beauty Salon, Reuben Schafer Trucking, Gieshe Trucking, H. E. Russell for Dugan and Dugan, Robert Torrey, Clough and Cook, and Lindsey Water Softener.

The enthusiasm and pride of exhibitors combined with the interest and enjoyment of spectators made the 48th Kenosha Fair a magnet for those seeking fun, education and entertainment. The weather was variable but fun remained a constant throughout the four days of the fair.

Air Show Sunday At Waukegan Airport

Swashbuckling aerial barnstormers return to the aviation scene at Waukegan Memorial Airport, McArree Road and Beach Road, Sunday at 1:30 p.m. when the Harbors and Aviation Committee of the Waukegan-North Chicago Chamber of Commerce presents National Air Shows Inc.

The air show will climax the weekend celebration of the Illinois Sesquicentennial being co-sponsored by the Chamber of Commerce and the City of Waukegan.

Aviation history was made in the early days of flying by daredevils who made the county fair circuit to thrill and entertain the earthbound citizenry with their death-defying stunts and aerial tricks.

The National Air Show flying

troupe are worthy successors to these bootied aces of a more romantic flying era, according to Louis Brydges, chairman of the Harbor and Aviation Committee.

Low level precision flying, skydiving, formation aerobatics, low altitude parachute jumps and a daring transfer from a car to a moving plane are just part of the program developed by Bill Sweet, director of the show and a veteran of more than 30 years of air show production.

The airport will open to the public at 10:30 a.m. for inspection of commercial, private and military aircraft which will be on display and for air rides over Waukegan (Continued on page two)

Antioch Band Off To Camp

Approximately 130 Antioch High School band and choir members will leave for summer camp Sunday, Aug. 18. Buses will load at 12:30 p.m. and check-in time will be at 12:10 p.m. in the parking lot.

The summer camp will be held at East Bay Camp on Lake Bloomington and classes will be in session beginning Monday morning and continue through Friday noon.

Students will put in about 47 hours of rehearsal and classroom work, as they prepare for the fall season.

They will also present a concert at the camp on Thursday night. On Friday, the band and choir will go to Chanute Air Force Base and give a concert for the USO at the base.

Seven faculty members will accompany students on the trip. They are: Joseph Rush, Camp Director; Ralph Brooke, Assistant Camp Director and Vocal Instructor; William Schroeder, Counselor and instructor of brass; Larry Snider, counselor and percussion instructor; Miss Betty Garrett, counselor and instructor of woodwinds; Donald Drake, counselor and Miss Katey Keenan, counselor.

It is expected that the group will return shortly after 12:30 a.m. on Saturday morning, Aug. 24. Students will be permitted to use school phones when they arrive.

Antioch Misses Students

The Antioch chapter of the American Field Service regrets to announce that Antioch High School will not be able to have a foreign student enrolled this year because home applications came in too late.

New York A. F. S. asks that American families wanting to share their homes with a foreign exchange student have their applications filled out and mailed to New York by February 15.

It takes time to give careful consideration to each application to assure the best possible relationship between the foreign student and his or her American family.

Families who did apply this (Continued on page two)

Nab Four In Two Burglaries

James Robert Balsamello, 19, of Rte. 5, Antioch, and Theodore Joseph Van Empe, 19, of Rte. 1, Antioch, have been turned over to the Kenosha County Sheriff's office on burglary charges.

The pair was arrested Thursday by Lake County sheriff's deputies for allegedly burglarizing the Deep Rock Service Station on Highway 83 at Wilmet Road, Kenosha County.

They were spotted in the act and a license number on the car used led to their arrests, according to sheriff's deputies.

Two other youths, one from Antioch and the other from Lake Villa have also been charged with burglary after being caught in the Chuck Wagon Restaurant, Rte. 173, Antioch, early Friday.

Dems Hold Outing On August 21

Former Gov. Terry Sanford of North Carolina will be the speaker at the annual Democratic Golf Day to be held Aug. 21 at the George Diamond Country Club.

Tee-off time will begin at 8 a.m. with dinner served at 7 p.m. Illinois Secretary of State Paul Powell will also be in attendance.

Special guests will be the Democratic candidates for county office including Marion Wietor, circuit court clerk; Alfred O'Connor, state's attorney; Robert Darling, recorder of deeds; Dr. Nate Altonberg Sr., coroner, and Leon Sirola, auditor.

At the same time the golf outing is being held at Lake County headquarters of the All-Illinois Committee for Humphrey will be opened at the Karcher Hotel, Waukegan.

State Treasurer Adlai E. Stevenson, vice chairman of the national United Democrats for Humphrey, Sanford, and Herbert L. (Hub) Stern, Lake County Democratic chairman will be on hand.

Illinois Working to Save Resources

(Eighth In A Series)

A few years ago, the central Illinois community of Effingham was shockingly and tragically awakened to its desperate water resources problem.

Volunteer firemen fought bravely but, hampered by low water pressure, failed to put out a hospital fire -- a fire that took the lives of 77 persons, including ten infants.

Awareness of the problem was uppermost in the minds of Effingham residents, but progress was slow toward solving the dilemma. The next blow came when the town's water supply -- the Little Wabash River -- almost ran dry. Consumption was drastically cut -- restaurants stopped serving water, to customers, and lawns dried up since sprinkling was impossible.

Applying the old "pull our selves up by the bootstraps" technique, the community leaders set to work on the crisis. Today, Effingham boasts of its 4 1/2 billion gallon capacity man-made Lake Sara. No longer does the fear of a water shortage press down on the citizens. Industry is expanding, new companies started investigating the advantages of the community, and recreational facilities are available to a lot of people.

Without the aid of either Federal or State funds, the community triumphed over its immediate water resources problem.

In the summer of 1967, a dream of many years came true as the Carlyle Reservoir area opened its doors for business. It had taken a few years of planning, working and financing, bringing together

Federal, State and local forces, but the 26,000 acres of water surface was ready for unveiling.

Located on the Kaskaskia River, the Carlyle Reservoir is divided into various park areas, boating spaces, and allows for swimming, water skiing, fishing, picnicking and other water-related recreational facilities. The multipurpose Reservoir also supplies water for distribution to many communities in Clinton and Fayette counties.

The Carlyle Reservoir area will not be fully completed until late 1969, but the major work is done, it's a good place to play year round, and it guarantees water for drinking, for industry and agriculture in the area. It also is designed for flood control and to provide enough water in the right

(Continued on page two)

Girls Project - - - Gifts For GIs

The Antioch Order of Rainbow For Girls have just completed filling 75 bags for Christmas for boys in Vietnam.

The girls who each brought a few articles for the boxes for the boys, were part of the project for Cheryl Pheonix's term "Christmas Vietnam."

The bags of red and green were given by the Red Cross with a list of things that could be packed into the bags by the willing workers.

The list ranged from chewing gum to scout mirrors and with the help of all the girls about 15 articles were put into each bag with a greeting card telling where the bag came from.

With having "Christmas in July" it made the evening a "cool night" for the girls with a warm feeling in their hearts that they were able to provide a little cheer for the boys in Vietnam.

Members of the Antioch Order of Rainbow for Girls prepare boxes for boys in Vietnam. Their goal was to fill up 75 bags for Christmas and they made it.

WEATHER REPORT

BY TOM ROBINSON

	H	L	R
Wed.	88	64	—
Thurs.	78	65	.93
Fri.	87	61	.02
Sat.	73	48	—
Sun.	78	52	—
Mon.	76	55	—
Tues.	84	59	—

Remarks: Well, with less than three weeks left of summer and time to return to school, I think we can all say that "this has been a great summer."

Crops are in excellent condition, lawns and gardens are beautiful and breaks in the weather have come just before we were ready to break.

We did have some high winds that gave some of us a little trouble but nothing like last year.

As of this day, Wednesday the 14th, we Purple Martins are still around to keep a check on the insects, and I hope they stay a lot longer.

Nixon In Control

Richard M. Nixon has done it again—but this time with class.

Nixon, never one to endear himself to the press—as witness the explosion in California—in our opinion seems to have grown in stature since he went down to defeat in 1960.

His eight-year campaign to gain the top spot in the Republican ranks has finally paid off and he has won the top brass ring from the GOP.

But this looks like it might be an interesting campaign.

His selection of Maryland's Gov. Spiro Agnew came as a complete surprise to the delegates in the convention hall in Miami.

But they rallied mightily and by the time the evening was over, many believed he had picked the governor for the second spot.

It must have taken a tight control by Nixon to put that one over when there were such shining lights as New York Mayor Lindsay and Sen. Mark Hatfield waiting in the wings.

We think that a better choice might have been Sen. John Tower of Texas to give the party better geographic representation—but then we weren't doing the picking.

But to win out on a first ballot over popular California Gov. Ronald Reagan and powerful New York Governor Nelson Rockefeller was quite a feat.

We don't think everyone in the party will be happy with Nixon but you can't please them all.

And he has kept up with the times and now presents a bustling, knowledgeable image that is much better than the one he has presented in the past.

We enjoyed the convention scene but could offer one suggestion in the future.

We know that the political figures have to have exposure, but those seconding speeches kind of got out of hand.

The one that we paid the most attention to was the 21-year-old delegate, who finally in his seconding speech said "Thank You for your inattention."

We think that summed up the circus in a nutshell.

The television medium was so bored with the whole thing that they sent their troops onto the floor to start rumors of this and that in order to live up the affair.

At least that is our opinion.

Air Show.....

(Continued from page one)
and the environs for those who want to take a ride, Brydges said.

The air show will wind up a schedule of activities which include a giant parade starting at 11 a.m. Saturday at Weiss Field.

More than 50 units including the Recruit Training Command Band from Great Lakes, the Fifth Army Band from Fort Sheridan, floats, mounted and marching units, and beauty queens will participate in the parade, according to Waukegan Alderman Fred Burgess, chairman of the City of Waukegan Parade Committee. Federal Judge Bernard M. Decker will serve as Grand Marshal for the parade, Burgess reported.

Scores of boats from yacht clubs all around Lake Michigan will converge on the Waukegan harbor over the weekend for the Lake Michigan Yacht Association boat-in and many of them will participate in the Venetian Night Boat Parade scheduled for 9:30 p.m. in the small boat harbor. Also moored at the Lakefront will be the USS Havre, a patrol craft on Naval Training Duty at Great Lakes, which will be open to the public.

The Waukegan Municipal Band will present a twilight concert in the parking lot north of the Waukegan Yacht Club at 7 p.m. Saturday with the final judging of the Miss Lake County Aviation contest following the concert, Brydges said. Judging the contest will be Waukegan Mayor Robert Sabonjian; North Chicago Mayor Charles Heblor; Circuit Judge Philip Yager, and State Representative John Henry Kleine.

Contest Open To Size 10's

The Illinois entry in the 1969 national "Miss Wool of America" contest in Texas next June will be selected during the 1968 Illinois State Fair, Aug. 9-18. Girls 18 to 25 years of age, at least five feet, six inches tall, wearing size 10 clothes may compete. The Illinois winner will receive a wardrobe of wool garments, and an all-expense, week-long trip to Texas next June.

Illinois Working.....

(Continued from page one)
places.

Water resources—officials have located potential sites for more than 800 such multi-purpose reservoirs to serve vast areas over the entire state.

In 1940, only 207 acres of Illinois land were under irrigation. Today, in Mason County alone, some 17,000 acres are irrigated regularly, combining more than 100 separate irrigation projects.

One of the major factors in the growth of irrigation projects in the west central Illinois county is a huge underground "lake" that lies below most of the county. Experts report the water resource is "virtually inexhaustible." The second factor is the availability of reliable, low cost electric service in the rural areas where service previously did not exist prior to the member-owned Manard Electric Cooperative. Today approximately 6,000 members are served by the more than 2,000 miles of irrigation lines. For the farmers it has been a boom: crop production has doubled, and in some instances, tripled.

For thousands of years, man has been "taking" from his natural resources of land, water and air. Too often, what he has turned back is second best.

The land, water and air pollution and decreasing resources cannot be blamed on any one person or economic factor. Everyone has contributed in one way or another, and all are suffering to some degree.

Yet, individuals, communities and industries are becoming more aware of these deficits in the environment and are beginning to make progress in halting the losses.

It cannot be denied that industry has contributed greatly to the pollution of the air and water. But, industry has also been plunging into the battle to offset the damage. The United States Steel Corporation reports that it has spent some 200 million dollars in pollution control over the past few years, and other industrial firms have done the same.

One of the more graphic examples of "rebuilding" natural resources is Operation Green Earth, instigated by the Peabody Coal Company.

One of the state's biggest industries, the coal company converts the ravages of strip mining into green, live oases. Land is restored for cattle grazing and tree farming. Small lake areas are stocked with fish and surrounded by recreational spaces.

The battle against the crisis of air and water pollution and dwindling resources is a costly one and a difficult challenge. It cannot be solved by one company nor with the funds now available. There must be a well-devised total program to offset the neglect of years and the increasing demands of the future.

The literary, political, and personal papers of John Howard Lawson, first president of the Screen Writers Guild, have been acquired by the Southern Illinois University Library.

Antioch Misses.....

(Continued from page one)
year had to be disappointed, but Antioch A. F. S. was not able to send in the applications until May and this did not leave enough time for proper placement.

Any family in the Antioch High School area interested in sharing their home and love with a foreign student in the 1969-70 school year, is urged to start talking it over now.

For information on this undertaking, call A. F. S. adult president Mrs. Vonnice Strom (395-3890).

Early home applications, and as many as possible, will insure some family, and Antioch High School students, the rewarding experience of exchanging cultures, ideas and affections with a student from another land next year.

Letters to the Editor

To the Editor
The Antioch News
Antioch, Illinois
Dear Sir:

The Establishment, obsessed to accommodate to the Communists, ignores Lenin's forewarning (when the capitalist world starts to trade with us—on that day they will begin to finance their own destruction) and steps up trade with the communist bloc; even as Americans fight and die in Vietnam, supposedly for the high purpose of halting communist aggression.

Our Government supports Brit-

Intermission Restaurant; pair of auto head rests, Lyons and Ryan Ford; two savings bonds, One-hour Martinizing.

Ten thousand trading stamps, W. E. Petty Real Estate; 10,000 trading stamps, Phil's Restaurant; 20,000 trading stamps, Frank ReCupido Enterprises; 10,000 trading stamps, Schroeder Real Estate; 10,000 trading stamps, John Teresi Chevrolet-Olds; 10,000 trading stamps, Tiffany Real Estate.

ain in its quarrel with Rhodesia. As British ships help supply our Vietnamese enemy, our President orders broad sanctions against import and export trade with Rhodesia, a small country that has never aided our communist enemy and has offered to furnish manpower to fight on our side.

Rhodesia has chromite and America requires chromite to make stainless steel. With the American market closed to them Rhodesia sells its chromite to Japan, who sells it to Russia, who ups the price and sells it to the United States.

It just doesn't make sense.

Yours truly,

Dear Sir:

We thought it was a good idea to send you this letter because we count on your help and on the cooperation of your newspaper to reach your readers with our Brazilian message of friendship.

We, the INTERNATIONAL FRIENDS, are hundreds of Brazilian people of both sexes, of all ages and professions, who have created an International Correspondence Club some months ago. Through correspondence with for-

ign friends, we intend to exchange ideas and knowledge, to promote better understanding among people from different countries, to obtain more stamps and viewcards for our collections, to exchange newspapers and magazines, to be better informed about other countries and to help foreign people know our country better.

We started our activities by sending a letter like this one to the most important newspapers in South America. In a few weeks, we received more than 17,000 letters from every single country in this Hemisphere, from Mexico to Argentina.

However, most of our members would like to have friends in other continents. From Haiti, Bolivia, Panama, Mexico, Venezuela, Colombia, Peru, Chile, Brazil, Uruguay and Argentina—just to name the countries where we have more than a thousand members—we receive frequent requests of names and addresses of American penfriends.

This is, so, the aim of this letter. On behalf of our members, we beg you, the very special favor of printing our invitation to your readers who have an interest in communicating themselves with our members in Latin America.

Your interested readers may send to us their name and complete address, sex, occupation, languages that they can read and write well, and their preferred

hobbies. They can write in English, French, Italian, Portuguese or Spanish—since we can deal easily with these languages. As soon as we receive their names (Continued on page three)

LAKE AND SPAFFORD STREETS

"Serving the Lakes Region Since 1894"

Edgar Simonson supervises loading of Antioch's Fair Bound Fire Engine.

ALONG THE WAY with Annie Mae

Congratulations

to all the finalists of the J.C. Beauty Pageant, and especially, Queen Colleen Gross.

to Helen and Bernard Gutowski of Grass Lake for their 40th Wedding Anniversary.

to the Antioch Little League Champions, the State Bank Tigers who played so hard to capture the title.

to the Antioch Fire Department water fight team, who captured, no less, 1st place over 24 teams at the Kenosha County Fair at Wilmet on Sunday, Aug. 11.

1968 Class Reunion

Held recently at the Brae Loch Country Club. Fifty-three out of 103 members and spouses were present, along with the Principal Mr. Albert Dittman and his lovely wife. Golf, dinner, and dancing were the order of the day. Dennis Goodenough and his wife Karen (Van Patten) received a gift for coming the farthest. They now reside in Minneapolis, Minn. Bill and Mary Carney hosted a cocktail party preceding the dance for 7 couples from the class, and ended the evening by serving breakfast at 5 a.m. they all are looking forward to the 25th reunion, and they have a few years to rest up.

Pool Party
Seems like the Antioch Fire Dept. should reverse their schedule for next year. In Feb. the toboggan party they had planned

had 70 degree weather, and last Sat., the pool party had 60 degree weather!!!! Needless to say, there weren't many brave souls to venture into the water.

Dates Not To Forget

This Sunday, Aug. 17, the famous Chicken Bar-B-Q to be held at Benet Lake for the Sisters.

August 27, Tues., at Lorenz's, St. Peter's Buffet and Style Show. Many lovely prizes, we hear!

'Til next week

Annie Mae

Letter To Editor

(Continued from page two)

and addresses, we will distribute them to our members who eagerly want penfriends in the United States.

Their letters must be sent to AMIGOS INTERNACIONAIS, Caixa Postal 30837, Sao Paulo, Brazil.

We now want to anticipate our many thanks to you for the help you will provide to us, by printing our invitation in your paper. To you and to your many readers, our best regards.

Sincerely,

I. W. S.

INTERNATIONAL FRIENDS
President

Dear Editor:

As the Little League season is drawing to a close, we look back and wonder where the days have gone. Before we know it, school will be open and baseball will be forgotten.

As a Little League mother I say hats off to all the boys for a terrific season.

The final standings will be announced next week. We're sorry everyone can't win, but learning sportsmanship and how to play the game are also important.

Here's hoping next year's "Little League" will have good support from the parents, if not better. Let's try and fill the bleachers at every game.

See you next year,
Shirley Gutowski

"I make in the neighborhood of \$30,000 a year." "Ah yes, a very nice neighborhood, indeed," replied his companion.

Lake Villa Board Okays Subdivision

The Lake Villa Village Board has approved a petition to annex a planned subdivision near the new Lake Villa School site.

Sewage expansion plans also moved ahead for the project which will be eligible for federal aid after the filing of a federal grant application with the State Sanitary Water Board.

The board accepted the preliminary plans for the subdivision development planned by Delbert Sherwood.

Sherwood's plans were accepted upon completion of corrections made by the village engineer regarding landscaping, street lighting and street signs.

Peace Corps Tests Saludray, August 17

Lake County area residents interested in putting their skills to use in developing nations around the world are invited to take the Peace Corps Placement Test at 1:30 p.m. on Saturday, August 17, at Rm. 402, 226 W. Jackson Blvd., Chicago, or at the Main Post Office in Kenosha, Wis.

The Peace Corps uses the Placement Test to determine how an applicant can best be utilized overseas. The test measures general aptitude and the ability to learn a language, not education or achievement. The test requires no preparation and is non-competitive; an applicant can neither pass nor fail.

Persons interested in serving with the Peace Corps must fill out an Application, if they have not already done so, and present it to the tester before the test. Application forms are available from postoffices.

Rescue Squad Calls

The following were taken to Victory Memorial Hospital by the Antioch Rescue Squad:

Aug. 7 - Joan Horsch, Antioch;
Aug. 9 - Lester Waters, Antioch;
Aug. 10 - Rose Schere, Rt. 59, Antioch.

Aug. 12 - Lewis Gardner, Antioch.
Aug. 13 - Mr. Kubs, Park Ave., Antioch.

Theme Selected for AGHS Homecoming

"Sequit Storybook" has been chosen as the theme for Antioch High School's 1968 Homecoming. The theme was selected by the Student Council at their summer meeting on August 3.

The Council is now planning the festivities for this annual two-day celebration.

ILLINOIS - fourth ranked industrial state. Value added by manufacturing, \$19.2 billion, up 19% since 1964.

Thieves Busy In Wisconsin

A battery from an auto owned by Anthony Vilek, of Rt. 4, Trevor, was reported stolen recently. The theft occurred in the Cross Lake area.

David L. Funk, 36, of Rt. 1, Box 179, Trevor, pleaded guilty to a charge of theft of \$162 from the Deep Rock Service Station, Hwy. 83 and C. Salem on May 18, was ordered a presentence investigation Monday, July 29. A bond posted by Funk for \$250 is being retained, pending sentencing on Sept. 3.

A cash register and adding machine were reported stolen from the Standard Oil Station, Silver Lake, Wis. Fri., Aug. 2.

Theft of \$25.00 from the cash register at Carl's Store, Silver Lake was reported by Edna Swartz Sat., Aug. 3.

Edward O'Connell reported Thursday, Aug. 1 that his car had been heavily vandalized after he had left it in a Paddock Lake filling station for repairs Wed. night. The damaged auto was found parked in front of his home on Thursday morning. The hood was dented, windows were broken, seats torn and wires pulled loose from under the dashboard.

Incorporation of Bristol Pending

A petition for the incorporation of the Township of Bristol, Wis., passed the necessary legal requirements at a hearing before Circuit Judge M. Eugene Baker, Monday, July 29.

The petition has been sent on to the state department of resource and development and town officials will be asked to make a personal presentation of their case. If the petition is approved, a town-wide referendum will be held on the issue.

If the township attains village status, it will be the county's largest village, consisting of about 36 square miles.

Town officials say that town government does not have the necessary powers to cope with a rapidly growing area such as this, and are therefore seeking incorporation.

Long Lake Camp To Observe 50th Anniversary

Long Lake Camp, Round Lake, one of the oldest church-related camps in the nation, will observe Homecoming on Sunday, August 25 in recognition of its 50th anniversary.

Highlighting the event will be an anniversary address by Dr. Orlando Ingvaldstad, of Ingleside, who in 1918, in cooperation with his brother William, laid plans for the camp which for four decades was known as the "Long Lake Bible Conference Grounds."

"We invite all friends of camping to join in the anniversary celebration," said John Huebner, Des Plaines, chairman of the camp committee and general chairman of the anniversary committee. "A special invitation is extended to all former Long Lake campers," he added.

Time is one thing that doesn't fly when you try to kill it.

Top: The fleet's in! 65 Vietnam Veterans from Great Lakes Naval Hospital arrive at the Arbor for a day-of fun as guests of the Antioch Township Republican Club Ladies' Auxiliary on Wed., Aug. 7. (Lower right) One of the boys gets ready to enjoy his dinner.

Salvation Army Attracts Students

Leadership training and religious study combined with sports and recreation are attracting some 150 students to the 25th annual Territorial Bible and Leadership Institute sponsored by the Salvation Army Aug. 5-15 at its Camp Wonderland, six miles northwest of Antioch.

Four 45-minute class periods are scheduled each day. Subjects range from the psychology of behavior and the dynamics of re-

vival to great characters of the Bible and the ministry of prayer.

During the weekend of Aug. 9-11, special programs were held to commemorate the 25th year of the institute. Lt. Col. Dallas Leader (retired), 720 Riverside, South Elgin, was in charge of the anniversary events. The institute attracts Salvation Army corps cadets, corps leaders and officers from the 11 north central states comprising the Army's Central Territory. The classes are planned for teenagers as well as adults of any

Violations Cost Four Licenses

Two persons from Antioch and two from Lake Villa have had their driver's licenses either revoked or suspended.

Those receiving revocations for driving while intoxicated include Maurice H. Grady, 908 Main St., Antioch, and Josephine M. Lucas, Rte. 3, Box 80, Antioch.

Those receiving suspensions for three violations included Richard D. Sparrowgrove, 1706 Carson Drive, Lake Villa, and John M. Twomey, 812 Wildwood Drive, Lake Villa.

The action was taken by Secretary of State Paul Powell.

Kerner Nephew Marries Girl From Sheboygan

The wedding of Miss Augusta Penn and Thomas Carleton Hope, Jr. took place on Saturday, Aug. 3 at St. Clement Catholic Church, Sheboygan, Wis.

The bride is the daughter of Mr. and Mrs. Royal W. Penn of Sheboygan, and the groom is the son of Mr. and Mrs. Thomas C. Hope Sr., of Winnetka, Ill. He is also a grandson of former Illinois State Senator Richey V. Graham of River Forest and Channah Lake. He is a great nephew of Judge and Mrs. Otto Kerner and is a great grandson of the late Anton Cermak, former mayor of Chicago.

Miss Maryann Smania of Chicago, was maid of honor, and Miss Jean Christy of Chicago and Miss Marie Rust of San Francisco were bridesmaids.

The bridesmaids wore aqua linen A-line floor length dresses, and large blue organza picture hats matched their dresses. They carried garden bouquets of yellow and white daisies.

The bride, given in marriage by her father, wore a white hand-embroidered gown of organza over white taffeta, with a long train attached. Her headpiece of embroidered daisies held the double-tiered silk organza veil.

Willy Soeldner of Glenview was best man and Kenneth Duffer of Winston Salem, N.C. and Ronald Kadon of Baltimore were groomsmen. Robert Penn, brother of the bride, was the usher.

After a reception for 200 guests at the Pine Hills Country Club, the bride and groom left on a tour of the New England states and will make their home in La Grange Park, Ill. after Aug. 20.

The bride is a graduate of North High School, Sheboygan, and Loretto Heights College, Den-

ver, Colo. She is a kindergarten teacher at the Anderson Elementary School in Chicago.

The bridegroom is a graduate of New Trier High School, Winnetka, he attended the Peddie School, Hightstown, N. J., and Wake Forest College, Winston Salem, N. C. He is assistant secretary of First Savings, of La Grange Park.

Couple Renew Wedding Vows

Saturday, August 10, was the occasion of a 3:00 p.m. Mass at St. Peter's Church where Father Alfred Henderson heard Mr. and Mrs. Bernard Gutowski repeat their wedding vows on the occasion of their 40th Anniversary. All of their 6 children were in attendance along with 19 grandchildren and many other friends and relatives. Out of town guests included brothers and sisters of Helen and Bernard from as far away as Stanley, Thorp and Greenbay, Wisconsin and Skokie, DeKalb, and Chicago, Ill.

After the Mass a reception was held at the Antioch Fire Station where a buffet dinner was served.

Five members of the "Bridal Party" were in attendance; three were unable to be present.

The children of the couple are: Mrs. Frank Benes, Bernie Gutowski, Joe Gutowski, and Barbara Miller of Antioch; Patricia Serva of Lindenhurst, and Delores Stilson of DeKalb.

A wonderful time was had by all.

Helen is employed at Active Specialty here in Antioch and Bernard works at the Chicago Hardware Foundry in N. Chicago.

Eight Models In Fashion Show

St. Peter's Altar and Rosary Society offers a bevy of beautiful models for their coming Fashion Show and Buffet Luncheon Tues., Aug. 27 at 12:30 p.m. at Lorenz's Smart Country House.

Fashions will be by Olson's of Grayslake and the pretty models are: Marilyn Sterbenz, Ann Lörang, Mary Emmerich, Marie Esser, Joyce Slatner, Marie Luedtke, Pat Lorenz and Mary Keane.

Former Teachers Go to Alaska

Mrs. Louise Anderson of Waukegan and Miss Marguerite Sinder of Antioch, both former Waukegan school teachers, have just returned from a trip to Alaska.

They traveled to Vancouver by train, visiting Jasper Park, Banff and Lake Louise enroute.

At Vancouver they boarded the "Princess Patricia" and enjoyed a cruise by way of the Inside passage to Skagway, Alaska. They described the scenery as comparable to that of Switzerland.

From Skagway they went to Juneau and followed the trail of the Gold Rush Days in the Yukon territory, riding the cogwheel railroad.

Vacation School At M. E. Church At Meth. Church

Vacation Church School opened at Antioch United Methodist Church on Monday, Aug. 12.

Children who completed kindergarten through sixth grade last year are attending the school.

The classes are using prescribed Methodist Vacation Church School material.

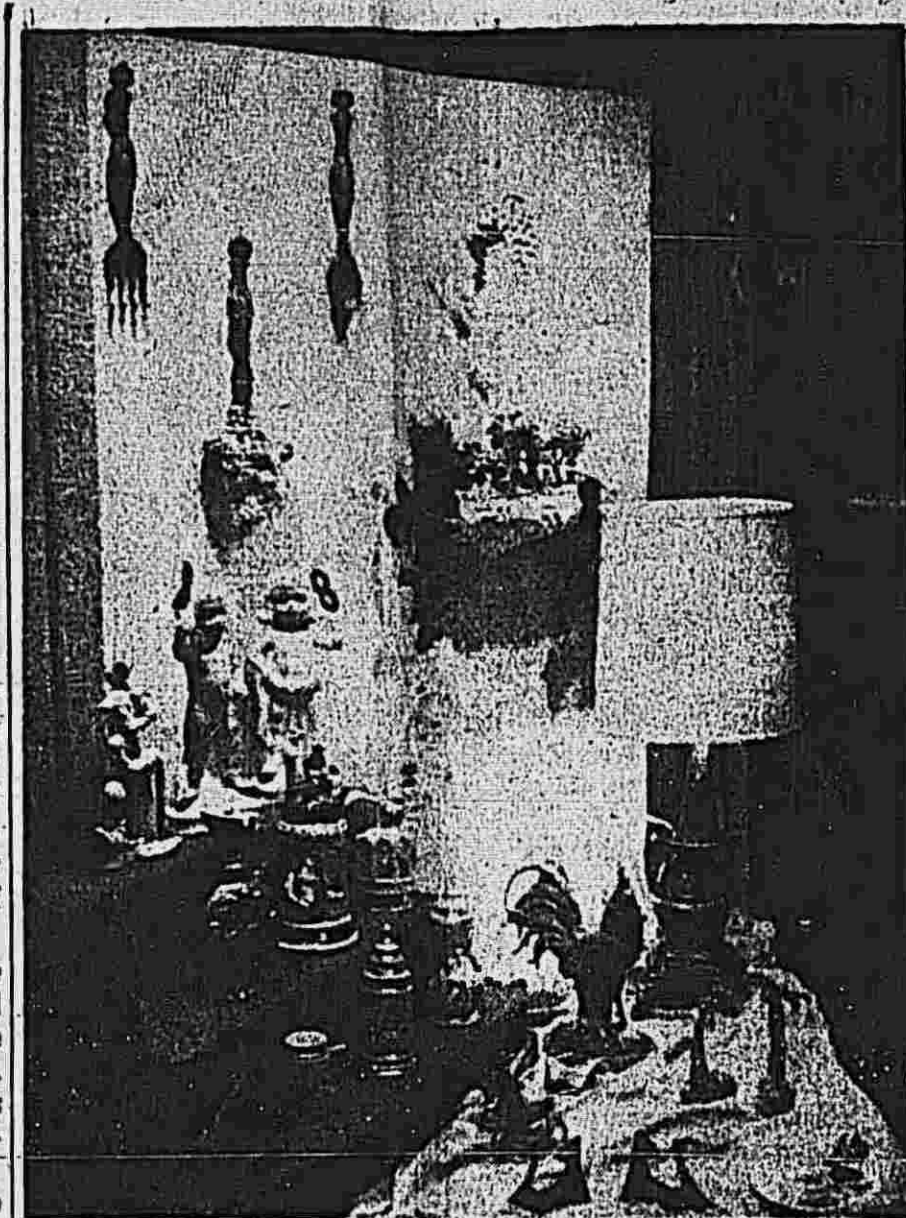

Mrs. John R. Laude is the director of the school and she is assisted by well qualified teachers and members of the MYF. The school will run through Aug. 23 from 9:30 to 11:30 a.m.

Mothers of Twins Meet Tonight

The Lake County Mothers of Twins Club will hold its monthly meeting at the YMCA, 445 N. Genesee, Waukegan, tonight, Aug. 15th at 8 p.m. Dr. J. Garth Ware, noted psychiatrist, will be guest speaker. Topic for the evening will be "Why do people come to see him." All mothers of multiple birth children are invited to attend.

For additional information concerning the club, please call Mrs. Kenneth Mattson at 395-0405.

We might have enjoyed our childhood more if we had realized that they were the good old days.

Ceramics display by Phyllis Kapischke in window of State Bank of Antioch.

Ceramics Display Has Local Touch

"Ceramics by Phyllis" is the interesting display in the State Bank of Antioch's window.

"Phyllis" is Phyllis Kapischke, of Sunset Ridge Subdivision.

She started doing ceramic work four years ago as a hobby and now teaches the art and does the firing in the basement of her home.

All her works on display at the bank are hand painted.

Mrs. Kapischke has been a resident of Antioch for the past 13 years, and prior to that was a summer resident.

Two things to consider during night driving, are your eyes and your car lights; practically everything depends on one of these factors, or both. Many nighttime accidents are caused by overdriving your lights. By the time a driver sees that he must make an emergency move, he is beyond the point where he can do it.

Now you Can Eat That Centerpiece

Have you ever tried a nasturtium tea sandwich, a marigold petal salad or chrysanthemum stew? Or how about Blossom Fritters with gardenia blooms?

Frances ones Poetker, an international prize-winning FTD florist from Cincinnati, Ohio, admits that she is quite likely to raid her table decoration or run out to the garden for inspiration, when preparing a fabulous gourmet dish which is in reality quite simple.

Mrs. Poetker will put her green thumb to work in the Peoples Gas, Light and Coke Company Home Service Auditorium kitchen, Friday, August 16, when she gives a demonstration in Flower Cookery. The demonstration is open to the public from 2 p.m. to 3 p.m. in the auditorium at 122 S. Michigan Avenue, Lower level.

"It is unbelievable how much edible flowers can add to a dish both in color and elegant flavor. They have been used for centuries to augment taste much as spices and herbs do," Mrs. Poetker says.

Work by a Southern Illinois glassmaker, a silversmith, and a ceramist are shown in the Illinois Craftsmen's Council traveling exhibit.

In the game of bridge, the chances of drawing 13 cards of one suit are 1 in 158,753,389,900.

Gov. Samuel Shapiro announced that a \$40,000 contract has been awarded to plan a biomedical research and study program. The funding comes from the federal Department of Health, Education and Welfare. The program will plan health services and bio-

Scholarships To Be Awarded

Six \$800 scholarships will be awarded this fall to 4-H coeds who plan to major in home economics.

"These scholarships are part of the College Scholarship Fund set up by the Cooperative Extension Service and administered by the National 4-H Service Committee.

The home economics grants are for former 4-H members who will be enrolled in their junior year of college in the fall of 1968. Candidates submit their applications through the state 4-H Club office.

Scholastic and 4-H records will be judged in Chicago the first part of November, and winners will be announced during the National 4-H Congress held there, Dec. 1-5.

Donors of two scholarships each are: The S&H Foundation, Inc., The West Bend Company, and Sunbeam Corporation.

In addition to the home economic scholarships, S&H Foundation provides annual awards in the national 4-H Home Improvement program, reports the National 4-H Service Committee.

engineering education and recommend funding of such programs by Illinois universities and industries.

MOOSE TOPICS

By Lillian Birdsall

The enrollment for new members for the Loyal Order of Antioch this month, will be held at Mooseheart on Sunday morning, August 18th, for the purpose of helping Mooseheart celebrate Illinois day which is an annual affair. Lodges all over the state participate in this affair which has always been a great success. This will be the first time that the Antioch Moose has taken part in this and Governor Birdsall is hoping for a good attendance. Many of the sponsors who have candidates are planning a picnic day at Mooseheart for their family and friends. After the enrollment, which will be held at 11 a.m., the sponsors will have the opportunity to take their new members on a tour around Mooseheart so that they can see for themselves what good can be done for the children of deceased members. Any member who wishes to attend this enrollment at Mooseheart can do so because every member is invited.

A good gathering attended the cocktail hour held at the Antioch Moose home, Saturday evening, August 10. Many more new features will be added to make more enjoyment for the members. Tuesday nights are family meal nights with a cash prize being awarded to one of the members. Every week there will be a change in menus. A chicken dinner with dumplings will be served on Tuesday, August 20. Servings for these meals are from 6 to 10 p.m.

The publicity committee of the Women of the Moose will hold a Spaghetti and meat ball dinner on Saturday, August 24th. A Third District meeting will be held at the Harvard Moose Home on Saturday evening, August 17, at 8 p.m. A Legion breakfast will take place at the Elkhorn Moose on Sunday morning, August 18th at 9 a.m.

A birthday dinner will be held for all Loyal Order members who have a birthday in the month of August on Wednesday evening, August 28 following the regular meeting. Every month members are honored with this dinner. All members who are present for the meeting on this evening are also invited to attend the birthday dinner. The attendance of all meetings have been very good and the help offered by members for projects to help the cause are very much appreciated.

Garden Club Meets Aug. 26

The Antioch Garden Club will meet at the Antioch Savings and Loan Building August 26th at 12:30.

The members are looking forward to a program entitled "Winter Arrangements of Fruit, Flowers and Vegetables" by Mrs. Raymond Rohde. They are happy to welcome Mrs. Rohde back, as in the past her programs have always been interesting, entertaining and informative.

If friends of members of the Garden Club are interested in attending this meeting, please call Mrs. Clarence Spiering, President, for a reservation.

Hostesses for the meeting will be Mrs. Walter Thompson of Spring Grove, Mrs. Walter Laurrell of Lake Villa and Mrs. Clarence Spiering of Antioch.

Friends Visit Henry A Mau's

Recent visitors the past few weeks at the home of Mr. and Mrs. Henry A. Mau were Mr. and Mrs. Walter Jancario and children of Riverdale, Ill. Mr. and Mrs. Glenn Holdridge of DeKalb, Ill.

Mr. and Mrs. Fred Hardt of Bellwood, Ill. Mr. and Mrs. Peter Zalatoris of Shady Nook, Lake Marie and Mrs. Rose King of Lake Geneva.

Where The Boys Are

U.S. ARMY, VIETNAM (AHT-NC) - The Combat Infantryman Badge, mark of distinction for the fighting soldier, was awarded to Private First Class Robert M. O'Neill in Vietnam, recently.

Pvt. O'Neill, 18, son of Mrs. Catherine O'Neill, Antioch, Ill., is assigned to Company A, 1st Battalion of the 1st Air Cavalry Division's 5th Cavalry.

CIBs have been awarded since late in World War II for sustained contact against an enemy in ground action. The badge is a blue rectangle with a silver rifle mounted on it and a curved wreath at the top. Subsequent awards are represented by stars in the center of the wreath.

What any government needs is more pruning and less grafting.

Hahn Jewelry Prepares Open House

Antioch now has a jewelry store that is second to none for its elegance and beauty.

Hahn's Jewelry will have a grand opening on Friday and Saturday, August 16 and 17, celebrating the complete renovation of the store.

The big feature attraction of the event will be a diamond cutting demonstration by Maurice Langerels, a diamond cutter who worked for the finest diamond firms in Holland. The free demonstration will take place Friday afternoon and all day Saturday. It will probably be the first such demonstration that Antioch has ever had, as diamond cutting is usually done in New York, Belgium, Holland and South Africa.

Many new and exceptional lines will be shown at the grand

opening, and genuine stones, such as rubies, emeralds, diamonds and sapphires will be on exhibit.

A diamond will be on display in the window of the store, and the person who comes closest to guessing its value will win the diamond and also be given a Bulova watch. Winner of the diamond will be announced Saturday night.

During the week-end of Aug. 23 and 24, Hahn's Jewelry will offer Antioch residents the opportunity of watching a diamond setting in action.

Bring in your old diamonds of European cut and he will modernize them for more brilliance and beauty.

George Hahn has done much of this work himself, for the people in this area, providing them with prompt service and skilled work. Hahn studied diamond setting and gemology at the Gemological School of America in Los Angeles. He also studied at the watchmaking school at Bradley University.

Hahn started in the jewelry business in Antioch in November, 1964. He is ably assisted by Marie Letkey and Helen Murphy.

THURSDAY, AUGUST 15, 1966 THE ANTIOCH NEWS 5

Red Cross Needs Ditty Bag Help

This year, with the increased numbers of servicemen in Vietnam, the Lake County Region of the American Red Cross has volunteered to sew and fill 4000 "Santa Gift Bags" to be sent to our servicemen overseas by September 15th.

Many civic groups, schools, and churches are helping in securing funds and items to be included in the "Ditty Bags" which carries their Christmas greeting.

The Gift Bags are made of a heavy green and red cotton fabric supplied by the Red Cross pre-cut and simple to sew, along with a Christmas card for the donor to enclose.

The American Red Cross estimates the cost of the items to fill the Gift Bags to be about \$4. The items needed (12 of 15) are a toothbrush holder, ballpoint pen, small pad of paper, plastic soap case, dark terrycloth washcloth, mail clipper, paperback book,

miniature set of checkers, chess, etc., metal mirror, plastic bags, 3 minute tapes (for mail-reels 3" tape, 150" length), lighter flints, playing cards, plastic cigarette case, chewing gum, "Wash and Dri", small vacuum sealed nuts, food, candy, cigarette lighter, small musical instruments (harmonica, etc.).

The Gift Bags are to be completed by September 15, to insure their arrival in Viet Nam in plenty of time to make Christmas a little brighter for our servicemen.

Much more help is needed from groups and individuals. Those interested can contact the Lake County Region of the American Red Cross at 308 Julian Street, Waukegan, or call ON 2-4044.

"The Gleaners", a famous painting of women gleaning in a harvest field, is by Jean Francois Millet.

New Film Previewed

The new Color Film, "Thinking About Drinking" was previewed Wednesday, Aug. 14, in the Little Theatre of the Waukegan Township High School, West Campus. Many high school administrative and teaching personnel were in attendance in addition to other agencies which are interested and concerned about teen-age drinking.

The Council plans to inaugurate an educational program in the Lake County School system this fall, meeting its responsibility as a Public Health Agency by extending its Information, Education, and Referral services as rapidly and thoroughly as they can be assimilated into the total community.

A reminder to drivers that the school summer vacation season calls for extra precautions by all motorists. Extreme caution by motorists is a small price to pay for an enjoyable, accident-free vacation for youngsters who may forget their safety lessons while making the most of their summer freedom.

July 4th Fatals Decline

The Chicago Motor Club-AAA, as a follow-up to its Fourth of July "Bring 'Em Back Alive!" traffic safety campaign, has completed a study of Illinois traffic fatalities which occurred during the holiday period.

Twenty-four persons in Illinois were killed in 20 separate accidents over the period extending from 6 p.m. July 3 through midnight, July 7. This compares with a statewide death toll of 41 in 1967.

The motor club, in its "Bring 'Em Back Alive!" campaign, sought to make motorists more aware of the common sense rules of driving, thereby placing a more conscientious and careful driver behind the wheel. Club campaign materials emphasized the fact that accidents often are single-car accidents, happen most frequently near a person's home, usually occur on a two-lane road and most often are at night.

The motor club analysis of Illinois accidents over the Fourth of July confirms that these were the key danger points for motorists.

Of the 20 accidents, 12 involved single-vehicles striking fixed objects or running off the road. These accidents accounted for 15 fatalities. Three of the accidents were two-car collisions claiming three lives. In the other accidents, passenger cars collided with a truck, a train, a motorcycle, and three pedestrians.

Of the total 20 accidents, 16 occurred near the victim's home, 13 of them in rural areas and 7 in urban.

Thirteen of the accidents took place at night and 7 during the daylight hours.

Ten of the 20 fatal accidents happened on two-lane rural roads. Five were on city streets and five were on expressways.

Age of victims in the July Fourth fatal crashes also was a

factor. Sixteen of those killed were under 30 years old, five were over 55 and only three were between 30 and 55.

Only one of the fatal accidents was directly attributable to mechanical failure. Driver error accounted for the other fatalities, with Illinois State Police recording "speed too fast for conditions" as the most prominent cause of the accidents.

In none of the accidents was there an indication that seat belts were worn at the time of the crash, though nearly all of the vehicles were equipped with seat belts.

A major percentage of the fatal holiday accidents occurred at a late hour. Most were single-car accidents. While police reports do not indicate a specific cause for these accidents, the Chicago Motor Club lists probable causes as driver fatigue or actual dozing at the wheel; alcohol; and "over driving" the headlights, that is, driving at a speed so fast that the driver cannot react to what he sees when it finally appears within the range of his lights.

Book Wins Carcass Contest

Jim Book, Harvard, had the top beef carcass in the McHenry County Beef Carcass contest, Wednesday, July 31. Book had an Angus - Charolais-cross steer weighing 1120 pounds. The carcass weighed 800 lbs., giving a 65.5 dressing percentage.

A tremendous loin eye of 14.8 inches, with only 0.3 inch fat thickness gave the steer carcass top honors in the show. The steer carcass was estimated to have a 51.33 per cent retail yield of the round, rib- loin; chuck and chuck lean trim.

Alvin Schultz, Harvard, had second place carcass from an Angus steer. His steer weighed 1160 lbs. Dressed 60.8 per cent for a 706-lb. carcass. The carcass had a 12.6 inch loin eye, with 0.4 inches fat.

Dunking doughnuts may be bad form, but it's good taste.

More Benefit From Social Security

A record \$2,630,515 was paid out in social security benefits to 27,752 residents of Lake County for February 1968, according to Bernard Barnett, Social Security District Manager. "February 1968 was the first month in which increased benefit rates provided by the 1967 Amendments to the Social Security Act were payable," Barnett noted. Nationally, the amount of monthly benefits exceeds \$2 billion, and more than 24 million men, women and children, or nearly 1 out of every 8 Americans, are now receiving some type of monthly benefit.

In Lake County, about 17,909 of those receiving benefits at the end of February were age 62 or older. An additional 1,898 were disabled workers under age 62 and their young dependents. About 4,292 social security beneficiaries were young widowed mothers and their children, Barnett said. In the past six years alone, benefit payments to this "younger group" have amounted to 1 1/2 times as much as the amount paid out in this category during the preceding 21 years.

Many younger people also receive benefits due to disability. More than \$187,287 is being paid out each month to disabled workers and their dependents here in Lake County. This is a rate that is 10 per cent higher than that of December 1966.

Most of the changes in the 1967 social security amendments provided more protection for younger people. For instance, some 175,000 children in the U. S. are now eligible for benefits based upon the earnings of a mother who has died or is disabled and entitled to disability benefits. Payments can now be made to the children of a woman worker who has died, become disabled, or retired, if she has enough credits—earned any time—to be "fully insured." Another change made 100,000 younger persons—disabled persons and their dependents—eligible for benefits.

The amount of work credits required for the payment of benefits to workers who become totally disabled before they reach age 31 years of age has been reduced considerably—for those below 24 years of age, to as little as a year and a half of coverage. This has increased the number of servicemen who are eligible because of disabilities resulting from the Vietnam conflict.

Some 65,000 widows, unable to work because of severe disability, are now able to get benefits at age 50. Dependent disabled widows also became eligible for payments, and in some cases, so did divorced wives of deceased workers.

Barnett stated that there are many changes in the law. He urges all residents of Lake County and McHenry County to contact the local office at 2500 Grand Avenue for more information about the 1967 changes in the law. The district office is open each week day from 8:45 a.m. to 4:45 p.m. On Monday, the office is open until 8:00 p.m.

Sewing Course for New 4-H Leaders

Women who know something about home sewing and would like to volunteer as a 4-H Club leader can add to their skills through a program designed especially for 4-H clothing and home improvement leaders.

The announcement comes from the National 4-H Service Committee, which in cooperation with the Extension Service and The Singer Company has arranged a course called "Your Sewing Machine."

The course is set up by the Extension Service and usually runs for two days. Three teaching manuals are used: (1) Know Your Sewing Machine; (2) Regulation and Care for Your Sewing Machine; (3) Make the Most of Your Sewing Machine. Singer provides the manuals.

The training sessions feature latest methods of teaching young people of different ages and abilities, and include actual work with the sewing machine.

Upon returning home, the proj-

Birthdays

A very happy birthday is wished for Rick LaChance, Judy Sokup, Tammy Renee Paulson, Pamela Ann Hlavin, Terry Joerns, twins Mary Kay and Joseph Bourque, Steven Spahn, Sherry Deu, Vicky Manuel, Eunice Nitz, James Matsie and Michele Fabry.

Anniversaries

Congratulations to Ted and Ethel Brendel on their 25th wedding anniversary Aug. 13. Also Chuck and Cathy Schriver on their 13th anniversary, Aug. 13. And John and Rae Gibbons on their 14th, Aug. 13. Gerald and Barbara Neophilos will be married just one year on Aug. 12. And John and Mary Ann Hay 19 years on the 12th of August. Alvin and Hilda Huntington will be celebrating their silver wedding anniversary on Aug. 8. Helmut and Gisela Sauer, of Seven Hills celebrated their 40th anniversary with a Noon Mass at Prince of Peace Church on July 28.

Splash Party

The Prince of Peace Parish Teen Club sponsored a splash party at the Antioch pool Wednesday, Aug. 14, from 8 to 11 p.m. Leaves for College.

Karen West of 200 S. Beck Rd., left for Ft. Lauderdale, Fla., recently to attend Williams College for Women. She will be attending Business and Finishing School classes for one year. Karen is a June graduate of Antioch High School. Early in June Karen, her brother Jeffrey and Suzanne LaChance flew to Ft. Lauderdale to visit the Wests' grandparents.

Teachers show their 4-H girls what they learned, and how to make sewing a joy instead of a chore.

A certificate of merit is presented each woman completing the course. More information can be obtained from Mrs. Helen Volk, Lake County Extension Homemaker, Grayslake, Ill.

CHRISTIAN SCIENCE CHURCHES

"The Lord God is a sun and shield: the Lord will give grace and glory: no good thing will he withhold from them that walk uprightly." These words from Psalms are the Golden Text of this week's Christian Science Lesson-Sermon titled "Soul." The Lesson-Sermon is the same in all Christian Science churches throughout the world. In First Church of Christ, Scientist, BEACON HILL, Rte. 173 & Harden, Antioch, the Sunday Service begins at 11 A.M.

One of the related passages to be read from the denominational textbook is the following: "Knowing that Soul and its attributes were forever manifested through man, the Master healed the sick, gave sight to the blind, hearing to the deaf, feet to the lame, thus bringing to light the scientific action of the divine Mind on human minds and bodies and giving a better understanding of Soul and salvation. Jesus healed sickness and sin by one and the same metaphysical process" (Science and Health with Key to the Scriptures) by Mary Baker Eddy).

HIGHWAY PROJECTS

Projects valued at \$30 million will be considered at bid openings Friday, Aug. 25. The 56 projects will be the sixth of eight lettings scheduled for the year. The projects cover work throughout the state.

Call 395-4111 for free ad.

Mr. and Mrs. Frank Benson who moved there in February.

Mr. and Mrs. West went to Centralia on Aug. 2 to attend the first Centralia High School class reunion of the 1940 graduates.

Vacation

Ed and I went back to work last week Monday, after being home for three weeks. We spent a day at Madison, Wis., another at the beautiful Boerner Botanical Gardens in Whitefish Park in Hales Corners, Wis., and a couple of days in Chicago, driving around Old Town and Chicago's South side.

Donations To Rescue Squad

Donors to the Antioch Rescue Squad Fund include:

Oreah Hogen, Mr. and Mrs. Carl E. Carlson, Mr. and Mrs. William Krook, Mr. and Mrs. J. Warum, Mr. and Mrs. Elmer Kufalk, Mrs. Fannie Lemker and Mr. and Mrs. Harry Wallace, Ann Hoffman, Adeline C. Bywell, Mr. and Mrs. Edwin M. Olsen, Mr. and Mrs. Felicitas Liepins, Anna Rendant, Mrs. Anna Soper, James Hallwas, Melvin L. Give your gas heating system something to do this summer.

Like cool your home.

Hey there, you with the vents in your wall! You're halfway toward owning an ultra-modern, gas central cooling system—one with no electric window units to block your view. No mechanical grumbles to keep you awake.

Because the same duct system that heats your home can cool with gas just as easily. (Something to keep in mind

if you're building a new home and want it to stay modern.)

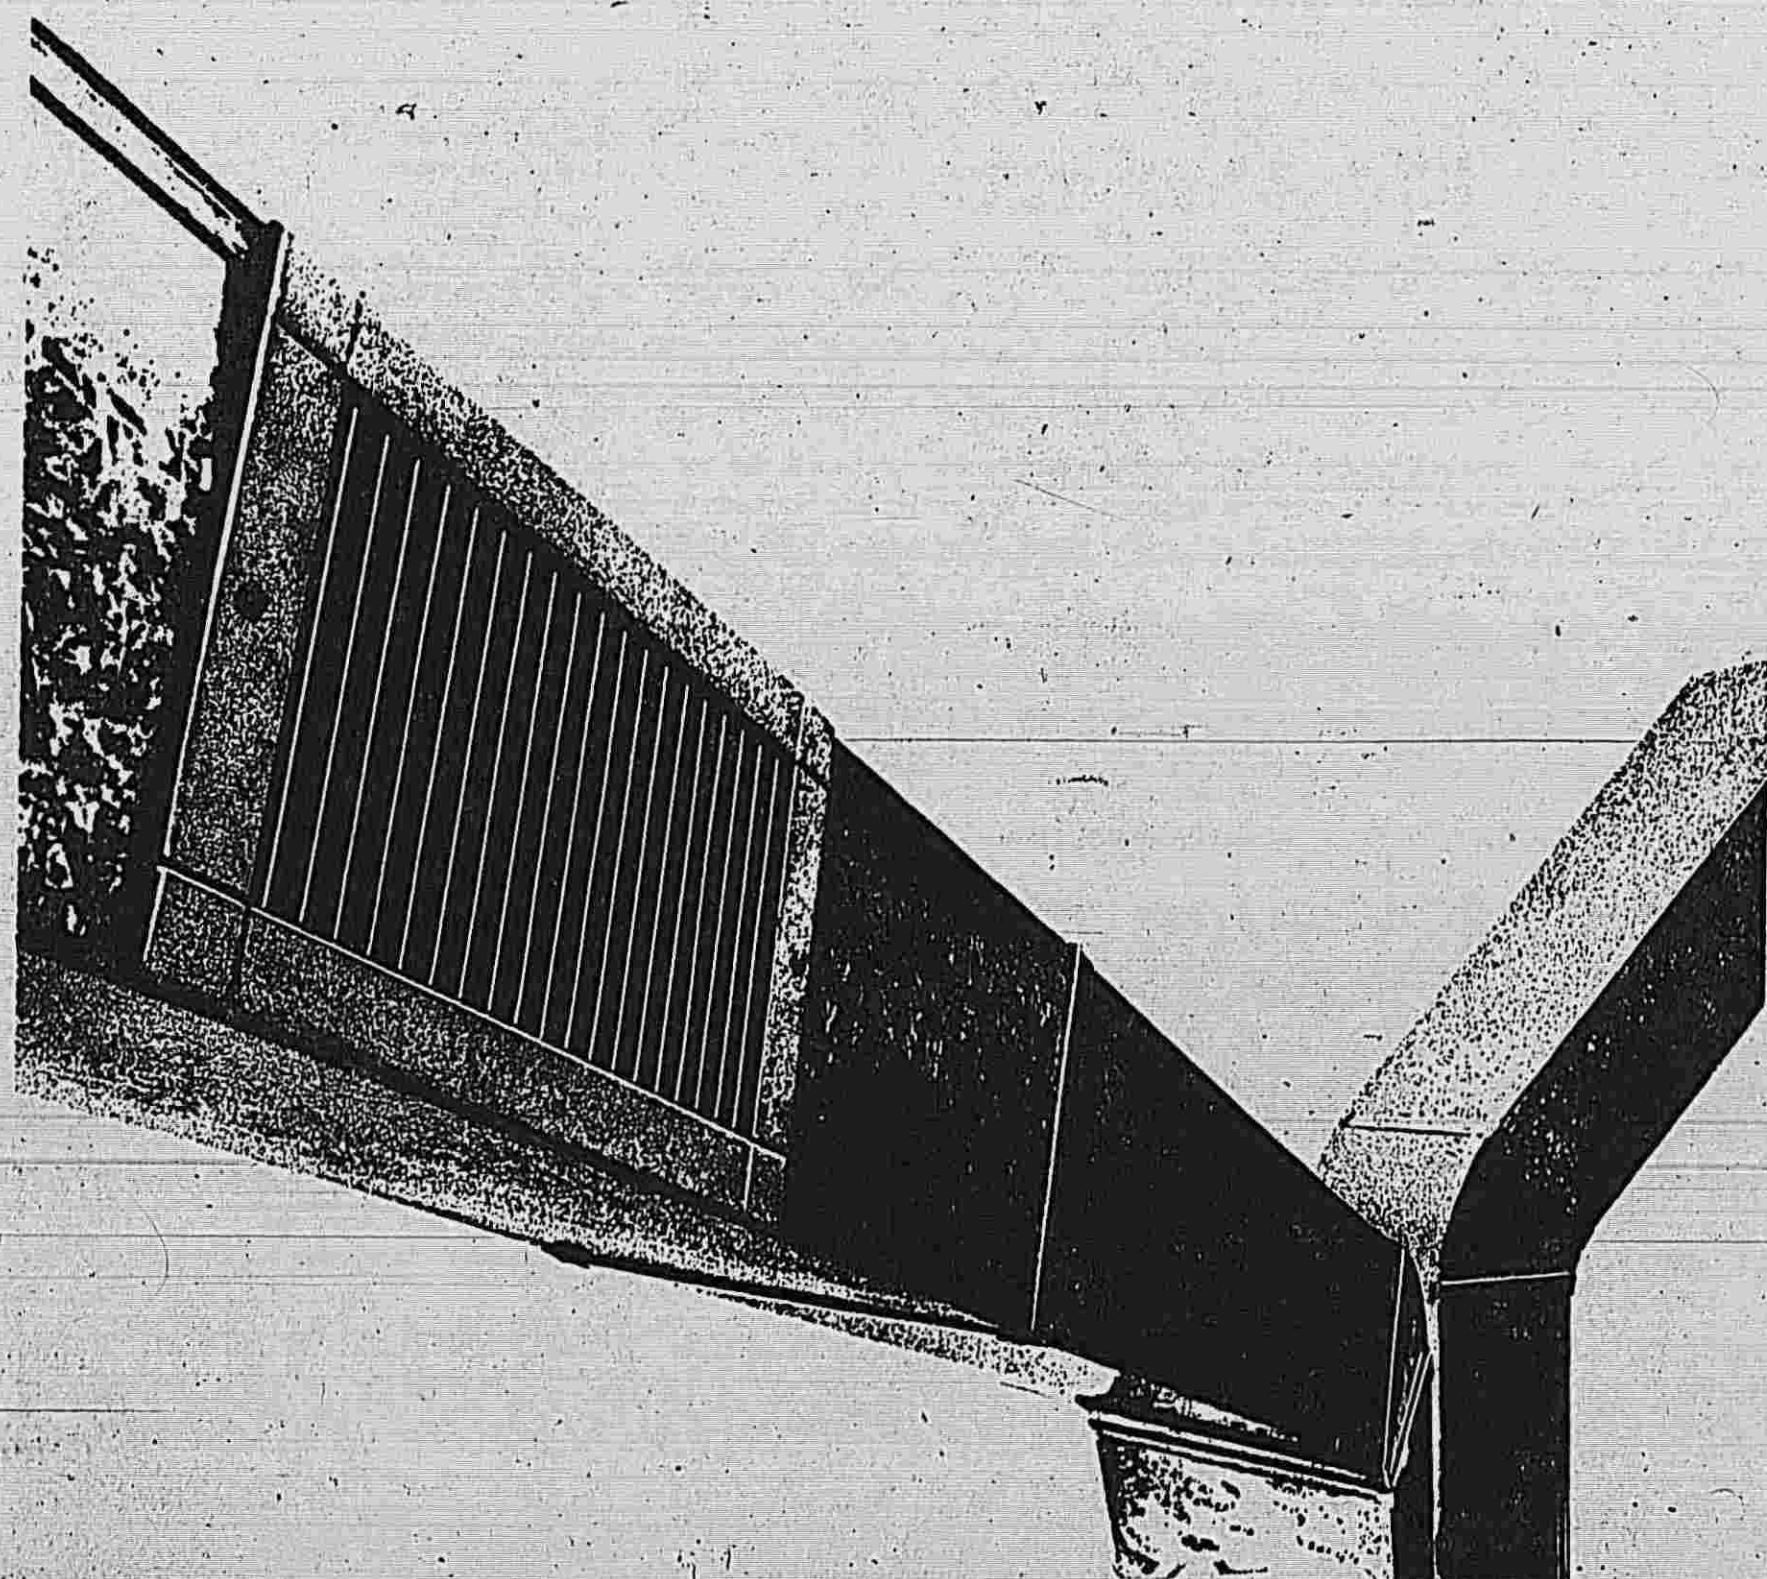

Once you buy the missing half of gas central air conditioning, you'll have the most comfortable cooling system known. Because gas central air conditioning not only cools...but dehumidifies, too.

So call us. Hear about our 5-year payment plan, free

5-year service warranty, and low summer rates. If you want to switch to clean, versatile gas—we'll even finance the conversion with your heating contractor.

See? Your gas heating system has no excuse for not having anything to do this summer.

Gas Company

Harris Wins Fair Feature At Wilmot

Whitey Harris put his modified stock car up for sale tonight and then went out and won the Kenosha County Fair feature race for modified stock cars. Harris said after the win, "the offer to sell still goes. I'm going to build an even faster and better handling car!"

Harris has had a string of bad breaks but everything went his way in the feature race tonight as he caught, raced and passed Roger Otto of Burlington who had won the last two Kenosha County Speedway Feature races.

The attendance for the Fair at the stock car races topped an all time Fair night record and was a new high for the season at Wilmot. A record number of cars were also on hand as 93 of the speed machines took part in the 12 events.

Harris missed fast time by just three one hundredths of a second. Roger Otto turned in a time of 17.41 and Harris turned in 17.43. Otto's average speed for the qualifying run was 40.31 m.p.h.

In addition to some close finishes in the other events, the evening was spiced by several roll overs in the late models plus the feat of Tim Seyl who spun twice in the late model feature and still came back to finish second to Arnie Haussmann. Seyl

was in the back at the start due to his fast time in the qualifying run and on the second lap, spun into the infield and lost nearly a lap on the leader. He overcame this entire lap and was in the lead with only four laps to go when he spun again and dropped back to sixth and came back to finish second just three laps later. This was Ralph Sinnen who couldn't withstand the final lap surge staged by Seyl.

Heat race winners in the late models were Bill Launderville; Bob Fink; James Green; Seyl and Dave Zillmer. Roll overs were performed by Jerry Schween; Tom Teske; Art Bielek and Bob Weldeman doing a dive over the inside fourth turn rail.

Antioch Firemen Win 1st Place

The Antioch Water Fight Team did it again! Last Sunday they took first place at the Kenosha County Fair at Wilmot.

Out of 24 teams that competed, the finals were as follows:

- 1st. Antioch
- 2nd. Lake Zurich
- 3rd. Trevor
- 4th. Lake Villa
- 5th. Lake Villa
- 6th. Fox Lake

Each team was presented with a trophy following the water fights. The teams competing were from Lake County, Illinois and Kenosha County, Wisconsin.

Two other teams from Antioch competed, but were eliminated, after they came up against some stiff competition.

Members of Antioch's winning team are: Jerry Van Patten, F. Kuechenmeister, Bernie Gutowski and Ron Cunningham.

Ten Pin Topplers Meet Tues., Aug. 20

Mrs. Kay Schaefer, President of the Ten Pin Topplers has announced a bowling meeting to take place Tuesday, August 20 at 8 p.m. at the Antioch Bowl. Anyone interested in joining the league should attend this meeting.

It's easy to place a classified—just call 395-4111.

John R. Laude of Antioch, proudly displays prize-sized smallmouth bass which he caught recently in Northern Wis.

Laude Makes Prize Catch

A week-end trip north to do a little work on the family summer home wound up with a very successful fishing venture for John R. Laude, Felter's Subdivision, Antioch.

Laude caught a prize-sized smallmouth bass which weighed 5 lbs. 8 oz. and was 20 1/2" long. He caught the fish in Planting Ground Lake in Clearwater Lake, Wisconsin.

Laude also caught a walleye, plus several other fish while testing a unique new lure, "The Little Beauty." A friend of Laude's, Everett Lokkew, Rosemont, Ill. is one of the designers of this lure which encompasses a small jig, with a spinner and number 21 pork frog.

The bass is entered in a regional contest in Eagle River, Wis. and will be mounted later on.

Hagerty Wins Feature Sat. at Waukegan Track

Reimer Wins Sunday

Waukegan, Illinois, Sat., August 10, 1968 — The thirteenth lap was a lucky one for Al Hagerty as he grabbed the feature lead on Sat. night at the Waukegan Speedway and raced home to a 3/4 lap win over Jim Cossman. This was Hagerty's first late model feature win at Waukegan in his new car.

The semi-feature event was a wild and woolly affair with spins everywhere. The fifth lap saw the top five drivers all involved in two separate accidents. Leaders Jerry Learsch, Ed Pensack and Pete Brewer collided in the fourth turn while George Dowdall and Harold Gutche shot through the infield off the backstretch. Brewer eventually won the event in a close decision over Ray Bush.

Last lap efforts seemed to be the order of business tonight as Al Gutche passed Dick Vanderpool in the last lap of the trophy dash to take the checkered flag and Bob Klemm passed Glen Priddy in the very last turn to win the hobby stock feature.

Next Saturday will be the Summer Championship late model stock car races on Saturday night being run in conjunction with the Illinois Sesquicentennial Celebration in the City of Waukegan. The

feature will be 50 laps in length. Johnnie Reimer padded his Waukegan Speedway point lead as he garnered the feature honors in the modified division Sunday night. Reimer slipped by Tom Anderson in the twenty-ninth lap of the 40 lap race and went on to win by five car lengths.

Whitey Harris turned in the fastest qualifying lap with a 16.13 clocking. This missed the one lap mark by only .0015 and was the best lap turned in thus far in the season. Reimer had a 16.18 lap for the second best time.

The semi-feature was won by Dean Hundley but not until a very close battle among Hundley, Ken Hansen, Ken Monroe and Rich Bentley had caught the fans eye in the closing laps.

The trophy dash was racing at its best at the Waukegan Speedway. Claude Potter won the event with Roger Von Otto and Reimer switched back and forth for the lead and second spot every lap. The fast heat was also a thriller with Sullivan, Potter, Reimer and Von Otto really close in the early going.

Next Sunday's feature will be 50 laps long with double championship points in all events.

The closest finish of the night was in the 15 lap semi-feature race. Twenty-one cars started this race. Deacon Henneley led this race for seven laps and then Ken Monroe took over the lead and stayed there. But Bob Deldrich got up to second spot and as the cars came off the fourth turn for the finish, each went to a separate side of a slower car and crossed the finish line nearly together. The win for Monroe was as popular as any all evening long. Al Horton was third then Paul Cameron and Henneley.

Modified stock car heat races were won by Dick Bentley; Monroe; Paul Cameron and Harris. Harris' win came over Jr. Dodd and Bill Bohn. This heat race and

the feature race win gave him breathing room in the tight chase for the Championship at Wilmot. Going into tonight's race he was only 18 points ahead of Otto and 20 points ahead of Bohn. Now he is 23 points ahead of Otto and 32 points ahead of Bohn. Four more race nights remain on the 1968 schedule for the IRA modifieds at Wilmot and only the final race night, August 31, will carry double Championship points.

30 lap feature race/finish: Harris; Otto; Bohn; Bergama; Sorco; Anderson; Potter; Boseman; Wade; Ratajczyk; Iles; Hanson; Jamerson; McKay; Dodd; Loomis. Time: 8:57.30. Average speed: 58.62 mph.

Antioch Firemen proudly display first place trophy which they won in water fights at Kenosha County Fair at Wilmot, on Aug. 11. From left to right: Jerry Van Patten, Frank Kuechenmeister, Bernie Gutowski and Ron Cunningham.

Coast Guard Offers Boat Safety Information Center

The Coast Guard will offer a new service to southern Lake Michigan boaters beginning August 15, Rear Admiral W. F. Rea III, Commander of the Ninth Coast Guard District, announced at Cleveland, Ohio, last week.

A Boating Safety Information Center—one of four being set up nationally on a trial basis—will offer boaters comprehensive, up-to-the-minute, marine and weather data; free, voluntary boat safety equipment checks; and information on services available to boaters.

Located at Diversey Harbor in the Chicago Park District, the center will be open from 10 a.m. to 8 p.m. on weekdays. Weekend hours will be from sunrise to sunset, Admiral Rea said.

The center is designed to bring

together in one place many of the services and information necessary for safe and knowledgeable boating.

Assisting the Coast Guard in the center's operation are the Coast Guard Auxiliary, U. S. Power Squadrons, Red Cross, Weather Bureau, U. S. Lake Survey, state boating agencies, Chicago Park District, Chicago police and fire departments, and boating industry groups.

Admiral Rea emphasized that "This center is a test project to see if this is a practical method of widely disseminating important information to the ever-growing boating public."

The test will be conducted through the remainder of the 1968 boating season, he added.

Observe Traffic Rules, Save Lives

Traffic accidents account for nearly half the accidental deaths of farm residents. This tragic death toll could be reduced if both drivers of passenger cars and slow-moving vehicles would observe the rules of defensive driving, says the Lake County Safety Commission.

The first rule in defensive driving is to see and be seen. To make certain that slow-moving vehicles can be seen, Illinois law requires them to display a red flag not less than ten feet or more than 12 feet from the ground while on public highways.

During August, farm vehicles are on the roadways in increasing numbers when crops are harvested, stored and marketed. Watch for them on rural highways.

To help other drivers more quickly identify a slow-moving vehicle, a SMV emblem has been developed. While a few states have adopted this triangle-shaped, reflectorized sign as their official warning, Illinois law still requires the red flag or flashing light.

The difference in speed of passenger cars and trucks compared with farm tractors and self-propelled equipment (the rate of closure) creates a special hazard. This can only be reduced by alertness and courtesy on the part of both slow-moving equipment operators and drivers of faster vehicles.

During this busy fall season, we should remember the old saying "haste makes waste." The Lake County Safety Commission reminds it not only makes waste; it can cause accidents, especially, on the highway. Take your time and "watch out for the other guy" and you will live to enjoy bountiful harvest.

It is easy to run into debt, but you usually have to walk out of it slowly.

Tom Sexton Wins Race At Drags

Tom Sexton of Sexton Automotive in Antioch, won Super Eliminator Saturday night, Aug. 10, at Great Lakes Dragway of Union Grove, Wisc. This was the 4th time this year for the win, with his all new SOHC Ford fuel dragster.

Tom had 4th fast time with his dragster in a field of 12 cars going for 8 available positions. There were 7 fuel dragsters, 3 gas dragsters, and 2 fuel altered coupes trying for the spots that went to 6 fuel dragsters and 2 gas dragsters.

In the first round of eliminations, all cars paired to a car of the same type so there would be no handicap starts. Bob Gavoni of West Chicago won the first race with an 8.70 in his fuel dragster. The second pair was won by Jon Hansen's gas dragster at 8.60. Simonsen's from South Chicago won their race with an 8.80 e.t., and Tom Sexton of Antioch won his race of fuel dragsters with an 8.60 e.t.

The second round of action had Gavoni lose fire on the line, and Simonsen's soloed for a final round position. Tom Sexton pulled a good hole shot on Hansen's gas dragster and won with an 8.60 e.t. Hansen also suffered a broken tube in a rear tire about 1/4 way down the track.

On the last run of the night's show, Tom and Simonsen's pulled their fire breathing fuel dragsters to the starting line, got them staged for the go, and then down the pole came the 5 amber lights to the green. Tom's car seemed wired into the starting system as it was smoking the 12 inch tires hard and fast as Tom guided the car to the 1/4 mile first with an 8.40 e.t. at 181 m.p.h. for the Super Eliminator win.

Tigers Win First In Little League

The Antioch Little League wound up their season with a two-way tie for first place and a three-way tie for third.

The Tigers and Sox played their game on Monday to determine first place, and the Tigers were the victors, 7-4. Three home runs were hit by the Tigers — one by Tim O'Neill and two by Mark Crawford. Talk about proud parents — the stands were full of them. All the boys played well. The winning pitcher was Mike Gutowski, whose Dad, Bernie, manages the team. The losing pitcher was Howie Warsing.

Other games being played off this week determine the winners are: Wed., Aug. 14 — Dodgers vs. Yankees; Fri., Aug. 16 — Giants vs. winner of Wed. game.

Final tournament games will be played on Monday, Aug. 19 when the league winning Tigers will play the winner of Friday's game and Tues., Aug. 20, the Sox will play the loser of the Friday night game.

On Thursday, Aug. 22, the winners of the Monday - Tuesday game will play for the tournament championship. All games start at 5:45 p.m. So come on out and watch the games.

DOVE SEASON

Mourning Dove season will be from Sept. 1 through Nov. 9. Doves must be hunted during the afternoon throughout the season. Daily limit is 12. Populations are reported good. The dove is the most popular game bird and considered one of the most difficult to hit on the wing.

Who knows what the first musical instrument was used by man, but certainly nine is better able to arouse primitive instincts than the percussion section of a modern symphony. With them you ride with Genghis Khan, march with Napoleon or fight with the wild Scotch Highland clans.

THE ANTIOCH NEWS 7

Waukegan Speedway to Join In Ill. Sesqui Celebration

Promoter Gordon Sill has announced the Waukegan Speedway participation in the City of Waukegan's Illinois Sesquicentennial Celebration this coming weekend. Fifty lap features will top both the Saturday and Sunday night programs with double championship points being awarded in all events.

Saturday night the late model division will be in action with a full card of events including a 50 lap summer championship feature. There have been five different late model feature winners in the last seven race nights and still many of the name drivers, like Dennis Burgan, Jack Ester, Mike Wolff, Harold and Alan Gutche haven't broken into the feature win column.

The Sunday program of modified stock car competition will

match John Reimer and Whitey Harris in the 50 lap finale August 18. Reimer, fresh from a 40 lap victory last Sunday will be after two in a row, while Harris will be looking for a win after a two month "dry" spell at Waukegan.

On both evenings, the races will be complimented by hobby stock car racing. There the competition

is tight with Bob Klemm a mere 22 points in front of the defending champion, Jim Couch.

The first race will go to the line at 8 p.m. both nights and there will be at least ten races run each night plus the unlimited time trial runs. A new clay surface applied to the track two weeks ago lead to the fastest laps of the year last Sunday in time trials as Whitey Harris clocked in at near-record 16.13 pace.

We are in the political season when the ins have done nothing good and the outs haven't the experience to do better.

ATTENTION WOMEN BOWLERS!!

STEPHANIE SULTHIN
Clerk of the Court
(August 8, 15, 22, 1968)

New Glarus to Stage "Tell Drama"

Southern Wisconsin's picturesque Swiss village—New Glarus—will present the 31st annual production of Schiller's "Wilhelm Tell" drama on Saturday, Sunday and Monday, August 31, September 1 and 2.

Staged outdoors at a natural amphitheatre 1 1/4 miles east of the village, the classic, three-act drama begins at 1 p.m. each day.

Nearly 200 New Glarus farmers, businessmen, housewives and children take part in the production, and horses, Brown Swiss cattle, goats and St. Bernard dogs also are part of the cast.

Also popular with visitors is the Swiss Museum Village, which includes a cheese factory, blacksmith shop, a replica of New Glarus' first church, and an early community building. The Museum Village is open daily May 1 to October 31.

The village of New Glarus was founded in August, 1845, by 108 colonists fleeing the ravages of famine in Canton Glarus, Switzerland. Swiss architecture is prevalent throughout the community of 1500, and the population is predominantly Swiss.

Other features of the festival during the Labor Day weekend include Swiss music and yodeling and entertainment; Alpine Festival concerts are a 8 p.m. Saturday and Sunday at the New Glarus High School gymnasium; and a children's Swiss program Saturday morning.

The annual Tell Outdoor Art Fair will be in session Sunday, Sept. 1 at the New Glarus village park. The non-juried show attracts about 200 professional and amateur artists, and is open to the public from 10 a.m. to 7 p.m.

New Glarus is on the Capital branch of the Hiawatha Pioneer Trail on Highway 69, 25 miles southwest of Madison, Wis.

Accident Causes Blackout on Hy. 43

Farm homes along Highway 43 and surrounding roads in the Silver Lake and Wilmet area were without electric power for approximately 50 minutes as a result of a single car accident on Highway 43 recently.

James Pearlberg, 22, of Rt. 3, Burlington, told police that he was traveling north to the city, when he saw a car approaching which appeared to be in his lane as he rounded a curve. He swerved to miss the car, and went off the other side of the road and hit an electric pole.

Damage to the car was total, but Pearlberg was not injured, probably due to the fact that he was wearing a seatbelt at the time of the accident.

FIRST SENTENCE

A Vermilion County owner of a refuse disposal site has become the first person to receive a jail sentence for operating an open refuse dump in violation of the Illinois law prohibiting open dumps and air pollution. The courts ordered a jail sentence after the operator failed to bring his refuse disposal operations into compliance with regulations of the department of Public Health. The law requires compaction and covering of all refuse with six inches of soil at the end of each day and forbids burning of refuse.

August Is Time To Sell Home

If you're thinking of selling your house, you couldn't pick a better time than now, according to Blase Viti, president of the Waukegan-Lake County Board of Realtors.

"Historically, August is the top sales month in most areas of the country, because buyers are anxious to get settled before the start of the school year," Viti noted that the survey of existing-home sales conducted by the Department of Research of the National Association of Real Estate Boards found that sales volume was highest in August in both 1966 and 1967. In addition, he said, the median sales price peaked near August in both years, then began to ease.

Viti, moreover, recounted several recent actions which indicate a lessening in the shortage of mortgage money for single-family home purchases. First, withdrawals from savings and loan associations—which traditionally invest most of their funds in home mortgages—were fewer than expected at the end of June, when interest is posted to accounts.

Second, recent average prices in the Federal National Mortgage Association's weekly auction for commitments to purchase FHA and VA mortgages have gone up.

He explained that these prices indicate mortgage originators are willing to take fewer discount points in return for FNMA cash purchase of government-backed home loans as the average price rises. The number of points shown by FNMA's auction is a general guide to home sellers about prevailing money market conditions, and Viti quote FNMA president Raymond H. Lapin as saying the "higher prices demonstrate the continuing tone of optimism in the mortgage market. The market is steadily improving."

BILL ACTION

During the last week Gov. Samuel H. Shapiro signed into law 21 bills enacted by the Legislature and vetoed three.

A package of eight bills pertaining to the use tax and sales tax establishes uniformity of the various sales and service taxes. H.B. 2747 provides a supplemental appropriation of \$1.5 million to enable the Illinois Veterans' Commission to continue paying bonuses to Vietnam veterans.

TRAFFIC DEATHS

July traffic deaths totaled 215. This is an increase of three per cent over the July 1967 count of 209. The highway death toll for the first seven months now stands at 1,351.

Antioch Alumni On Deans List

Antioch Community High School is proud to announce that three of its past graduates have been so outstanding in their college academic achievement as to have their names placed on the Dean's List at the University of Illinois, Chicago Circle.

The students include Bradley W. Brenna, son of Mr. and Mrs. Wallace Brenna of Rt. 1, Box 149, Lake Villa, Illinois, a 1964 graduate of Antioch Community High School; Robert H. Randall, son of Mr. and Mrs. Robert H. Randall of 138 B. N. Austin, Oak Park, Illinois, a 1961 graduate of Antioch Community High School; and Edward A. Westberg, son of Mr. and Mrs. Andrew Westberg of 2121 E. Woodlane Drive, Lindenhurst, Illinois, a 1965 graduate of Antioch Community High School.

FUNERAL NOTICES

MR. VALRIE E. HILL

Mr. Valrie E. Hill, 68 yrs. old of 302 North Elm Avenue, Barrington, Ill. passed away at 10:00 p.m. Thursday, August 8th at Hines V.A. Hospital after a short illness due to a heart ailment. He was born March 27, 1900 at Boswell, Indiana. He had resided in Indiana and Minnesota before moving to Barrington, Ill. several years ago. Mr. Hill had served in the U. S. Army during World War I. He had worked for 18 years as a post office mail clerk and retired from this occupation in 1948, later working as a guard at the American Can Company in Barrington.

He is survived by his wife Lotie, 2 step children in Minneapolis, Minn., 2 half-brothers—Mr. Jessie W. Chambers (Rensselaer, Indiana), Mr. Claude C. Chambers (Valparaiso, Indiana), 2 half sisters, Mrs. Jennie Hester Allen (Kankakee, Ill.), and Mrs. Mary Heath (Round Lake, Ill.).

Funeral services were held Tuesday at the Strang Funeral Home in Antioch, with Rev. Bruce Janes of the Lake Villa Community Methodist Church officiating. Interment was in Home Oak Cemetery near Antioch.

LAWRENCE P. SOLBERG

Lawrence P. Solberg, 75 years old of Silver Lake, Wis., passed away suddenly Aug. 8, at 12:30 a.m. Mr. Solberg was born Sept. 29, 1892 in Racine, Wis. and had spent most of his life there. He was a member of the Socialist Party of Racine for many years. He retired 10 years ago as a plant watch man for the J. I. Case Co. of Racine where he had worked for 15 years. He married Florence E. Wall in 1915 in Chicago and they celebrated their golden wedding anniversary in 1955. Survivors are his wife Florence, two sons: Lawrence J., Naperville, Ill. and Norman T., Milwaukee, Wis. Three daughters: Mrs. Lawrence Kappelerhoff, Racine, Wis., Mrs. Elmer (Doris) Tossman, Round Lake, Ill., Mrs. Roy (Muriel) Tuovaara, Antioch, A sister, Miss Adelaide K. Solberg, Chicago, Ill., 15 grandchildren and 4 great grandchildren. He was preceded in death by one brother Percival Solberg who died in WW I.

Antioch's 1932 Fire Engine is loaded on its trailer ready for a trip to the Illinois State Fair where it participated in the opening day parade. Todd Maplethorpe, (left) Ron Cunningham and Edgar Simonson stand in front of the truck. Antioch firemen who took the truck to Springfield are: Frank Kuechenmeister, Bill Eckert, Ron Cunningham and Jerry Van Patten.

Antioch, Ill. and Norman T., Milwaukee, Wis. Three daughters: Mrs. Lawrence Kappelerhoff, Racine, Wis., Mrs. Elmer (Doris) Tossman, Round Lake, Ill., Mrs. Roy (Muriel) Tuovaara, Antioch, A sister, Miss Adelaide K. Solberg, Chicago, Ill., 15 grandchildren and 4 great grandchildren. He was preceded in death by one brother Percival Solberg who died in WW I.

Funeral services were held Sat., Aug. 10 in the Strang Funeral Home, Antioch at 1:00 p.m. The Rev. Donald Cobb of the Antioch Meth. Church officiated. Interment was in Home Oak Cemetery, near Antioch.

MR. FRED CARLFIELD
Mr. Fred Carlfield, 67 yrs. old of Morley's Subdivision at Antioch, Ill. passed away at 12:50 a.m. in Victory Memorial Hospital Sat., August 10, 1968. He was born Jan. 19, 1901 in Sweden and came to the United States in 1925 to reside in Aurora, Ill., then moved to River Grove in 1955 and to Antioch one year ago. He had been coming to the Antioch area for the past 13 years. He retired

on May 1, 1967 as a buffer at Gutmann Tanners in Chicago where he had been employed for 29 yrs. He married Bessie Smith on July 30, 1935 at Newport, Ken. Survivors are his wife Bessie, son Adolph Keller, Chicago. Two brothers in the United States, Karl Carlson, Custer, S. Dakota, Ernest Carlfield, Aurora, Ill. One brother and two sisters in Sweden, and two grandchildren. Funeral services were Tuesday, August 13, 1968 at the Strang Funeral Home in Antioch. Rev. Wilton Anderson of St. Stephen Lutheran Church officiated. Interment was in Home Oak Cemetery near Antioch.
